GREAT DEBATE BOOKS

6th and Maine, Quincy

(October 6, 2008-Quincy, Illinois) Progressive and popular Quincy author of poetry releases second book. Words Gone Wild will be released to the public October 29, 2008 but you can get a sneak peek at Great Debate Books for a pre-release celebration. Voted “**Best Poet**” by Preditors and Editors in 2007, Aschemann is excited to announce the public release date of her latest book.

Wife, mother and word master, Aschemann made a meteoric impact in the online and publishing worlds of poetry with her first volume, lavish lines/luscious lies. Averaging five stars (the highest available) in all customer reviews on Amazon.com and BarnesandNoble.com, lavish lines/luscious lies explodes with sensual passion and a burning intellectual observation of contemporary life.

“Saadia writes of contradiction. Of smashing typical stereotypes. Of being so much more than people might think.”

Jaime Busen *Quincy Herald Whig*

“Her words make me feel like I’m an immediate inhabitant of her world. I like the feeling and want more. She teaches and takes me to a place I want to go.”

Garland Jeffreys, Musician
